EAST BAY

Kidney Transplant Outreach

Call (510) 776-4143 for information

Outreach Coordinator:

Clarissa Golden, RN, BSN

Clarissa has 14 years experience as a dialysis nurse in the Bay Area and most recently served as clinical manager of the chronic outpatient dialysis unit at a local hospital. During her career, Clarissa has provided primary care for hundreds of chronic and acute renal dialysis patients. Clarissa received her B.S. in Nursing from San Jose State University and an Associate degree in Nursing from Evergreen Valley College.

Services Provided at this Clinic:

- Pre-transplant evaluations and education
- Post-transplant follow-up care

Pre-transplant evaluations, education sessions and post-transplant follow-up clinics are held one to two times a month. At pre-transplant evaluations, patients and family members meet with transplant team members, receive a presentation and information regarding the transplant and living donation processes, and are given medical exams and tests. At post-transplant clinics patients receive follow-up care. Feel free to call for more detailed information. To schedule a clinic appointment, call (415) 600-1070.
