SOUTH BAY

Kidney Transplant Outreach

Call (408) 832-5495 for information

Outreach Coordinator:

Betsy Bucter, R.N.

Betsy serves as one of California Pacific Medical Center's kidney transplant coordinators in the South Bay region. In this role, she provides nursing care and transplant education to patients, and serves as a liaison to area dialysis units. Betsy has more than ten years experience in providing nursing and patient health education. She received her nursing degree from University of Rochester and an MA in Nursing Education from Columbia University. Her other positions have included Adjunct Instructor of Psychiatric-Mental Health Nursing at New Jersey's Mountainside Hospital School of Nursing and Charge Nurse in the inpatient mental health unit at hospitals in New Jersey and New York.

Services Provided at this Clinic:

- Pre-transplant evaluations and education
- Post-transplant follow-up care

Pre-transplant evaluations, education sessions and post-transplant follow-up clinics are held regularly. At pre-transplant evaluations, patients and family members meet with transplant team members, receive a presentation and information regarding the transplant and living donation processes, and are given medical exams. At post-transplant clinics, patients receive follow-up care. Feel free to call for more detailed information. For information about our transplant evaluation clinic or to make a transplant evaluation appointment, call (408) 832-5495. For a post-operative clinic appointment, call (415) 600-1070.
