Outreach Coordinator

Robert Fuller, RN, CNN

Robert serves as one of California Pacific Medical Center's kidney transplant coordinators in the Modesto area. In this role, he provides transplant education and nursing care to patients, and serves as a liaison to area dialysis units. Previously, Robert was Renal Disease Care Manager at Renaissance Health Care, Inc., where he educated patients about successful ESRD management and facilitated patient access to dialysis services. He has also held nursing positions at area dialysis units. Robert received his nursing degree from San Joaquin Delta College and is a certified nephrology nurse.

Services Provided at this Clinic

- Pre-transplant evaluations and education
- Post-transplant follow-up care

Pre-transplant evaluations, education sessions and post-transplant follow-up clinics are held regularly. At pre-transplant evaluations, patients and family members meet with transplant team members, receive a presentation and information regarding the transplant and living donation processes, and are given medical exams and tests. At post-transplant clinics, patients receive follow-up care. Clinics are conducted in Spanish as needed. For information about our transplant evaluation clinic or to make a transplant evaluation appointment, call (209) 401-8996. For a post-operative clinic appointment, call (415) 600-1070.
