ROSEVILLE

Kidney Transplant Outreach

Serving the Sierra Foothills, Sacramento, Redding, Eureka, and Clearlake Areas
Call (916) 768-2795 for information

Outreach Coordinator:

Sharon Deane, RN, CNN

Sharon has worked as a dialysis and nephrology nurse for six years, including five in the Roseville area. During this time, she has served as both head nurse and clinical manager of a local dialysis clinic. Prior to these positions, Sharon worked as a transplant nurse at University of California Davis Medical Center in Sacramento and at the University of Washington. Sharon earned a degree in nursing at Sacramento City College and is certified as a nephrology nurse. She is a member of the American Nephrology Nurses Association.

Services Provided at this Clinic:

- Pre-transplant evaluations and education
- Post-transplant follow-up care

Pre-transplant evaluations, education sessions and post-transplant follow-up clinics are held monthly. At pre-transplant evaluations, patients and family members meet with transplant team members, receive a presentation and information regarding the transplant and living donation processes, and are given medical exams and tests. At post-transplant clinics, patients receive follow-up care. If you would like more information about our clinic or to schedule a pre-transplant evaluation, call (916) 768-2795. To schedule a post-operative clinic appointment, call (415) 600-1074.
