Our transplant team visits Truckee to provide pre-transplant evaluation and education sessions for patients interested in learning about kidney and/or pancreas transplantation. At pre-transplant evaluations, patients and family members meet with transplant team members, receive a presentation and information regarding the transplant and living donation processes, and are given medical exams and tests. If you would like more information about our clinic or to schedule a pre-transplant evaluation, call (916) 768-2795.
