\* Review Category is determined by the IRB Administrator, Coordinator or Chair.

**Please note:**

- IRB fees apply only to those studies that are funded by a private company such as a pharmaceutical or device company. For all other studies, list as “PI Self-funded” on the research application (and there will be no charge).
- There is no fee for items that are coming back to the IRB or an expedited reviewer for a follow-up review (e.g., clarification requests) that have already been billed for the initial review, modification or continuing review.
