COMPLETE BOTH SIDES

A Weekend on the Pacific Coast

The Ritz-Carlton, Half Moon Bay

One Miramontes Point Road, Half Moon Bay, CA 94019
Phone (650) 712-7000 | Fax (650) 712-7070
www.ritzcarlton.com/en/Properties/
HalfMoonBay/Information/

Reconnect with the majesty of 19th century estate-style elegance in picturesque Northern California at the Ritz-Carlton Half Moon Bay. Overlooking 50 miles of crisp California coastline, and perfectly embodying the relaxed charm and beauty of the Pacific in every detail.

The Ritz-Carlton, Half Moon Bay is an inspiring recreation of a bygone era, characterized by its grand seaside lodging.

Resting peacefully on the Pacific Coast, between forested hills and dramatic ocean waves, Half Moon Bay offers visitors a variety of shopping, cultural attractions, fine dining and recreational opportunities. This charming seaside community has some of California's finest golf courses and art galleries as well as abundant recreational and culinary opportunities.

The Ritz-Carlton, Half Moon Bay is the perfect base from which to discover all the Bay Area has to offer.

Saturday Evening Social Event – October 3, 2009

Enjoy a wonderful evening on the Pacific Coast featuring delicious cuisine highlighted by the freshest local ingredients and prepared by the talented chefs at the Ritz-Carlton Half Moon Bay.

4th Annual Physician Symposium Series

Current Topics in Cardiovascular Medicine:
The Interface between Primary and Specialty Care

A Symposium for Primary Care, Internal Medicine
and Family Practice Physicians and Cardiologists

A Weekend on the Pacific Coast
The Ritz-Carlton, Half Moon Bay, CA

*California Pacific
Medical Center
Marin General
Hospital*

Sutter Health Affiliates

With You. For Life.

California Pacific Medical Center
Attn: Paula Rowbury – CV Services
2330 Clay Street, #106
San Francisco, CA 94115

Program Agenda:

Saturday, October 3, 2009

6:30-7:15 am Registration and Continental Breakfast

7:15-7:30 am Welcome Address

7:30-9:30 am Session 1

Cardiovascular Risk Assessment and Screening: Is There Anything New and Worthwhile?

Co-Chairs: *Brian Keeffe, M.D., FACC & Robert Margolin, M.D.*

- Advanced Lipid Panels: When and How to Use – *Eliot A. Brinton, M.D., FAHA, FNLA*
- Stratifying Cardiac Risk: New Thinking? – *Brian Keeffe, M.D., FACC*
- “Stable or Silent” Cardiovascular Disease: How to Follow and When to Refer – *Bryan Ristow, M.D.*
- Question & Answer/Case Discussion

Educational Objectives: (2 hours of CME credit available)

1. Discuss the indications for ordering advanced lipid panels and the interpretation of the test results for managing patients with hyperlipidemia
2. Provide an overview on the screening methods and tools available for identifying and stratifying cardiac risk in patients
3. State the recommendations for managing patients with stable and silent cardiovascular disease and the indications for referring these patients to a cardiovascular specialist

9:30-10:00 am Morning Break

10:00 am-12:00 pm Session 2

Cardiovascular Pharmacology: What to Prescribe, How Drugs Interact and the Effect of Over the Counter Agents

Co-Chairs: *Barbara Bishop, M.D. & James Mailhot, M.D., FACC*

- Controversies in Statin Therapy 2009 – *Eliot A. Brinton, M.D., FAHA, FNLA*
- Common Supplements and Herbs for Cardiovascular Disease: Why are patients using them and is there any danger? – *Michael Cantwell, M.D., MPH*
- Aspirin: Have the Indications Changed? – *Richard Francoz, M.D., FACC*
- Question & Answer/Case Discussion

Educational Objectives: (2 hours of CME credit available)

1. Discuss the indications, contraindications and side effects of the various statin agents available for treating patients with lipid disorders
2. Provide an overview of the common over-the-counter herbs and supplements used for cardiovascular disease, how these products impact the management of patients with cardiovascular disorders and their potential interactions with cardiovascular medications
3. List the indications for prescribing aspirin therapy for patients who are at risk for cardiac events and the management of those patients

12:00 pm Turn in Day 1 Evaluation Forms

6:00-10:00 pm Evening Social Event

Course Objectives:

Upon completion of this course, participants will be able to:

1. Discuss improved decision making practices in the early identification, management and referral of patients with cardiovascular and peripheral vascular disorders
2. Review the practical steps involved in the evaluation and management of patients with cardiovascular disorders who have been prescribed multiple medications.

California Pacific Medical Center (CPMC) is accredited by the institute for Medical Quality/California Medical Association (IMQ/CMA) to provide continuing medical education for physicians. CPMC takes responsibility for the content, quality and scientific integrity of this CME activity.

CPMC designates this educational activity for a maximum of 8 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity. This credit may also be applied to the CMA certification in Continuing Medical Education.

Program Supporters: All program supporters will be identified to all course attendees in our program syllabus

Sunday, October 4, 2009

6:45-7:30 am Sign-In and Continental Breakfast

7:30-9:30 am Session 3

Electrophysiology: How to Address Common Rhythm Problems Based on New Developments

Co-Chairs: *Steven Hao, M.D., FACC & Richard Hongo, M.D., FACC*

- Management of Atrial Fibrillation and Prevention of Stroke – *Steven Hao, M.D., FACC*
- PVC's: When to Treat and How – *Richard Hongo, M.D., FACC*
- Diagnostic Tools for the Evaluation of Palpitations: When to Refer? – *Steven Hao, M.D., FACC*
- Question & Answer/Case Discussion

Educational Objectives: (2 hours of CME credit available)

1. Review the recommendations for managing stroke risk in patients with atrial fibrillation
2. List the indications for when to manage patients with PVC's and the therapies available to manage these patients
3. List the diagnostic tools available in the evaluation of palpitations and the indications for referring affected patients to an electrophysiologist

9:30-10:00 am Morning Break

10:00 am-12:00 pm Session 4

Cardiac and Peripheral Intervention: Is Earlier Referral Justified by the Latest Results?

Co-Chairs: *Bruce Brent, M.D., FACC & Vincent Gaudiani, M.D.*

- Management of Severe Heart Failure in the Era of Mechanical Devices – *Ernest Haeusslein, M.D., FACC*
- Asymptomatic Mitral Regurgitation: Current Indications and When to Refer for Surgery – *Vincent Gaudiani, M.D. & Glenn Egrie, M.D.*
- Endovascular Versus Open Surgical Approach for Treatment of Peripheral Vascular Disease – *Daniel Nathanson, M.D.*

Educational Objectives: (2 hours of CME credit available)

1. Discuss the medical management of patients with severe heart failure and the indications for the implantation of mechanical devices to manage those patients
2. State the current indications for referring patients with asymptomatic mitral regurgitation for surgical intervention
3. Contrast the use of the endovascular versus the open surgical approach for treating patients with peripheral vascular disease

**12:00 pm Turn in Day 2 Evaluation Forms
Program Adjourns**

Course Faculty:

Invited Faculty/ Keynote Speaker:

Eliot A. Brinton, M.D., FAHA, FNLA
Diplomate, American Board of Clinical Lipidology;
Director, Metabolism Section, Cardiovascular Genetics;

Registration Form COMPLETE BOTH SIDES

Please Respond by August 31, 2009

Space is limited and is offered on a first come, first served basis.

Please reserve a hotel room for me: Yes No
See fee structure on reverse side for cost

Arrival Date: _____ Departure Date: _____

Number of Beds (check one): 1 King Bed 2 Double Beds

Special Requests: _____

I will be bringing a Guest: Yes No

Name of your Guest: _____

I will be attending the dinner event on Saturday, October 3: Yes No
Included in registration fee for attendee. \$50 each additional guest.

October is peak season on the Pacific Coast so golf tee times and spa appointments fill up weeks in advance. The spa at the Ritz-Carlton offers a luxurious experience not to be missed and the nearby golf courses are spectacular. To ensure that our guests enjoy all that this beautiful resort has to offer, we encourage you to reserve your spa treatments and/or golf tee times prior to your arrival by contacting the following numbers:

Spa Reservations: (650) 712-7040

Golf Tee Times: (650) 712-2200

Complete both sides of this registration form and send with your payment:

VIA MAIL: CPMC Cardiovascular Services
Attn: Paula Rowbury
2330 Clay Street, #106
San Francisco, CA 94115

or FAX both sides, completed, with your signed credit card information:
(415) 600-3706

Cancellation Policy: The registration fee (less a \$25 processing fee) will be refunded for cancellations received in writing on or prior to 8/31/09. If you have signed up for either of our “discounted hotel room prices,” one night room & tax (\$400) will be deducted from your registration fee if you cancel between the dates of 9/1/09 and 9/25/09. All refunds will be processed and paid following the course. No refunds will be made for non-attendance by registrants or if cancellations are received after 9/25/09. All course attendees will receive a full refund in the event that California Pacific Medical Center must cancel this course.
